#### RECOMMENDATIONS FOR COMPETITORS

Primary responsibility for biosecurity at horse events lies with the horse owners and competitors long before the event takes place.

#### **Practise good biosecurity**

☒ Practise good hygiene and decontaminate equipment thoroughly;

☒ Do not share equipment, including food and water containers, between horses;

☒ Avoid use of communal water troughs;

☒ If using communal hoses, avoid touching buckets when filling with water to avoid spreading disease from bucket to bucket.

#### **Monitor horse health**

☒ Do not take sick horses to an event;

☒ Notify an event official if a horse is suspected of being sick;

☒ Isolate the sick horse and seek veterinary advice;

☒ Isolate any equipment that has been in contact with the sick horse.

**In the event of a suspected disease outbreak please follow all instructions from event organisers.**
