- ◆ The purpose of the Lego Section is to give contestants the chance to present a Lego creation which is an original design that has been created by the contestant.
- ◆ Construction must consist primarily of Lego.
- ◆ The Lego exhibits are not required to have motors, however motors and / or moving parts will be allowed if deemed necessary for the exhibit. Judges will not give preference to exhibits that have such parts.
- ◆ The judges will award points for planning, background, presentation etc.
- ◆ Name must be stated on all entry forms; for classes 1, 2, 3 & 4 the age of the contestant must also be stated.
- ◆ Classes 2, 3, 4 & 5 no Lego kits permitted.
- ◆ All work to be done by the exhibitor and must not have been show at a previous Crows Nest Show
- ◆ The Pavilion closes to patrons at 4.30 p.m. on show day and after this time lego entries can be returned to exhibitors by the stewards
